### Información técnica

#### Medidas principales y datos de rendimiento

|                |           |                                      |
|----------------|-----------|--------------------------------------|
|                | 20 %      | Duty at maximum force                |
|                | 6.800 N   | Force                                |
| L <sub>1</sub> | 500 mm    | Retracted Length                     |
|                | 300 mm    | Stroke                               |
|                | IP69K/66M | Water and dust protection (IP Class) |
|                | 22 mm/s   | Speed at full load                   |
|                | 17 mm/s   | Speed no load                        |

#### Funciones

|     |                               |
