

CARR40X300X2/E220D [↗](#)

Información técnica

Medidas principales y datos de rendimiento

| | |
|----------|--------------------------------------|
| 1,3 A | Current Consumption |
| 40 % | Duty at maximum force |
| 4.000 N | Force |
| 230 V AC | Motor Voltage AC |
| 300 mm | Stroke |
| 20/54 | Water and dust protection (IP Class) |
| 17 mm/s | Speed |

Medidas principales

| | |
|------|-----------------|
| Ball | Lead screw type |
|------|-----------------|
